

# *Annual Community Awards*

## *Soaring Eagle Award*

*This award is given to a youth who is considered well rounded in his/her academics and extra curricular activities. He/she performs above average in school, has excellent attendance, and an overall positive attitude towards adult authority.*

*The individual may also be a young adult who has been a positive mentor or role model.*

*This individual's engaging personality has had the ability to encourage, inspire, and motivate his/her peers, as well as adults. This individual has had a notable impact on others, while being a positive role model in their community. This individual is the epitome of an overachiever because he/she will go above and beyond the "call of duty". The quality that separates this candidate from the others is his/her ability to refrain from flying with the crowd, but rather, soar above their peers even though it may be a lonely flight.*

**Required:** *This award will be designated to a youth or young adult showing the ability to "Soar like an eagle" and has Shown a positive influence on their community.*
